Hello to all my new Ostomates,

I am looking forward to meeting you all sometime during my new position as President.

Naturally I will be relying on the wisdom and experience of the committee as they help me find my feet.

I have an outgoing personality, am positive and enthusiastic. I hope to bring Some fresh ideas and encourage you to join in when you can to support our new found vigour.

Look forward to a coffee morning on the 8<sup>th</sup> of August 10.30 at the Raft by Briscoes (opposite Bed Bath and Beyond) and come to a Spring Luncheon at our home. My interests are Line Dancing, crafts, Andre Rieu friendship group. Entertaining, opportunity concerts, gardening and Church.

On the 15<sup>th</sup> July come and hear my story "Earthquakes to Tauranga" at the cancer rooms 1.30pm as I share my journey. It came to our attention at the last meeting, there are a number of people with supplies that no longer meets their needs. Bring them along next meeting as they may be of help to someone else. The packaging must not have been opened.

Thankyou Dian Cheyne

You will notice an attachment, purposely, to catch your eye, as **subs** are due. Yes, it is late, but so was our AGM as we were not sure we would have a committee to keep us going. Your **subscriptions is to** pay for the postage of the Ostomate Magazine \$7.15. Capitation fee to the Federation \$5. What's left over goes to running costs. We just keep our head above water.

## This parable about four people

Everybody    Somebody    Anybody    Nobody

There was an important job to be done and Everybody was asked to do it. Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that it was Everybody's job. Everybody thought Anybody could do it but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done!!!
